See you at the MCG for an unforgettable day!

Warmest regards,

The Toddle Team

The IB School Leaders Meetup 2024 is hosted by Toddle. Toddle is the world's first AI-powered teaching and learning platform built for teachers by teachers and tailor-made for progressive schools. Going beyond a typical LMS, Toddle streamlines all aspects of teaching & learning – from curriculum planning and assessments to progress reports and communication. More than 2,000 schools across the world trust Toddle to help teachers reclaim valuable time so they can focus on what matters most – teaching.

Event agenda

Time	Title & speakers	Agenda
8:30 - 9:00 Registration	Registration & morning coffee	Collect your name tag and Toddle goodies at our registration desk!
9:00 Opening session	Opening remarks	
9:10 Keynote	Charting the path: The future of education <i>with Louka Parry</i>	Our capacity to learn, unlearn, and relearn is our greatest asset. Join Louka Parry as he explores the shifting landscape of work, learning, and society. Understand crucial global shifts and their implications for our learning ecosystems. Learn about innovative pedagogies that enhance holistic learning and global citizenship.
9:50 Keynote	Harnessing the strength of networks <i>with David Boardman from IB Schools Australasia</i>	Discover the power of collaboration and the benefits that networks and associations offer, particularly in partnerships with organisations like the IBO. Learn how membership in such networks provides day-to-day advantages and essential support, enhancing professional growth and fostering collective success.
10:20 Break	Morning tea & snacks	
10:40 Panel discussion	Leading with purpose: Insights from IB Principals <i>Moderated by Steven Wishart, with Lisa Starmer, Loretta Wholley, and Richard Henry</i>	During this panel discussion, IB Principals will focus on: <ul style="list-style-type: none"> • The challenges and opportunities of leading through change. • Building a culture of excellence in IB schools. • Collaboration across different school types.
11:10 Keynote	Thrive by design: A proactive approach to wellbeing <i>with Meg Durham</i>	Big-hearted school leaders often put others first, leading to emotional and physical depletion. This session focuses on practical strategies to manage the relentless demands of school life. Learn to increase self-awareness, manage your energy, and move forward with clarity and confidence.

Event agenda

Time	Title & speakers	Agenda
11:40 Panel discussion	Driving change: IB school leaders on promoting wellbeing <i>Moderated by David Bott, with Brett Borbely, Mandi Traeacey, and Natalie Fanariotis</i>	Wellbeing is a pressing concern in education today, affecting students, educators, and the entire school community. Listen in and learn from IB school leaders as they dive into: <ul style="list-style-type: none">• Whole-school collaboration for comprehensive student support.• Policy frameworks to promote wellbeing.• Data-driven approaches to wellbeing assessment and intervention.
12:10 Workshop	Thrivers profile: A guide to more energy, clarity and confidence <i>with Meg Durham</i>	Are you ready to thrive and purposefully create an uplifting environment for your self and your staff? In this workshop, you will learn how to: <ul style="list-style-type: none">• Check your energy levels and practical ways to recharge on the go.• Identify and articulate the obvious and subtle signs of thriving.• Recognise the patterns of behaviour that can hinder your ability to thrive.
12:40 Break	Lunch	
13:40 Panel discussion	The impact of AI on Australian schools <i>Moderated by Sam Sherratt and Steve Marks, with Antony Mayrhofer, Simone Reilly, and Stuart Ablitt</i>	What tangible influence has generative AI really had on our school communities thus far? During this panel discussion, you'll hear from various school leaders about: <ul style="list-style-type: none">• How AI is reshaping teaching and learning in Australian schools.• What generative AI means for policies, systems and processes.• Supporting educators in harnessing AI effectively.
14:10 Session	Enhancing teaching and learning outcomes with AI <i>with Melissa O'Shea and Nick Morgan</i>	One of our top priorities as school leaders is to ensure that planning, learning, assessment, and reporting are cohesive. Discover the role of AI in enhancing teaching efficiency, reducing workload, and supporting differentiated instruction for more effective and cohesive education strategies.

Event agenda

Time	Title & speakers	Agenda
14:40 Workshop	AI-essentials for school leaders: A collaborative workshop <i>with Nick Jackson</i>	So, what's next? How can we proactively harness the power of generative AI in education? At this workshop, you will: <ul style="list-style-type: none">• Understand the current reality in schools, both opportunities and challenges.• Uncover practical strategies and tools to optimise your use of generative AI.• Get approaches to dealing with the 'issues' generative AI creates.
15:10 Closing session	Closing remarks	
15:15 - 18:00 Mixer	Toddle Mixer	Kick back with free food and drinks, while you unwind, catch up with old friends, and forge new connections.
